

JUSTIN EDE

Justin has a wealth of experience in handling international commercial disputes, having acted for companies in over 30 jurisdictions around the world on a broad range of cases, including banking and finance, IT, construction, shareholder disputes, property, insolvency, shipping and pensions.

His arbitration cases include major disputes before the ICC, the LCIA, ADCACC, DIAC, DIFC-LCIA, QICCA and HKIAC, whilst his court experience includes cases before the European Court in Luxembourg, the Privy Council, the Commercial Court, the Technology and Construction Court and the Chancery Division of the High Court in the UK and also the High Court in Hong Kong.

Most recently, Justin lived in the UAE and led the construction arbitration work for the largest law firm in the Middle East. He acted on cases in Dubai, Abu Dhabi, Fujairah, Ras Al Khaima, Iraq, Qatar, Kuwait, Oman and Bahrain, acting for employers, main contractors and subcontractors on a range of civil engineering projects including power stations, airports, roads and bridges, sea defences, earthworks, as well as commercial buildings. He also handled a number of property-related arbitrations for one of the leading developers in Dubai.

Justin is an accredited Mediator with CEDR in London and is a strong advocate for settlement through mediation and other forms of alternative dispute resolution.
